PROFESSIONAL SUMMARY

Freelance Senior Full Stack Developer with 3+ years of experience delivering scalable, secure, and high-performance web applications for startups and businesses across India, the USA, and Europe. Expertise in end-to-end product development, cloud infrastructure, API design, and third-party integrations with strong client-facing and delivery ownership.

EDUCATION

Rotary Institute of Management and Technology   Chandausi, UP
Bachelor of Business Administration   *Aug 2019 – May 2022*

FREELANCE EXPERIENCE

Freelance Senior Full Stack Developer   June 2022 – Present
Self-Employed   *Remote*
- Delivered end-to-end web solutions including requirement analysis, system architecture, development, deployment, and maintenance.
- Built scalable applications using React.js, Next.js, Node.js, Express.js, and PostgreSQL supporting 1,000+ users.
- Designed cloud infrastructure with AWS, VPS, Docker, and CI/CD pipelines using GitHub Actions and Jenkins.
- Integrated Stripe, PayPal, Razorpay, Firebase, AWS S3, and CloudFront for payments, media, and notifications.
- Collaborated directly with international clients, managing timelines, features, and post-deployment support.

SELECTED FREELANCE PROJECTS

OTT Streaming Platform | *Next.js, Node.js, AWS, PostgreSQL*   2024
- Developed a secure OTT platform with subscription access, admin dashboard, and media content management.
- Handled 5,000+ video assets using AWS S3, CloudFront, and MediaConvert.

Appointment Booking System | *React, Express.js, PostgreSQL*   2023
- Implemented international time-zone-aware booking and role-based admin management.

E-Commerce Platform | *React, Stripe, Node.js*   2023
- Built a full e-commerce workflow with secure payments, product comparison, and order tracking.
